

Math Dual Credit Grading

If you are not exempt from HS finals then you will take another final which will be very similar to the college final exam

High School Grades:

Regular Pre-Calculus:

- 1st six weeks: Algebra Test Ch 1 & 2
- 2nd six weeks: Algebra Test Ch 4 & 5
- 3rd six weeks: Algebra Test Ch 3 & Final

AP Statistics High School Grades:

- 30% Labs & Homework
- 70% Tests

Fast Pre-Calculus: (aka 'insane class')

- 1st six weeks: Algebra Test Ch 1, 2, 4, & 5
- 2nd six weeks: Algebra Test Ch 3 & Final; Trig Test Ch 2 & 3 and trig hw
- 3rd six weeks: Trig Test Ch 4, 5, 6, 7, & Final and homework

AP Calculus High School Grades:

- 30% Maple, Projects, & Homework
- 70% Tests

College Grades:

The one lowest test grade will be dropped for the college grade only!! Not the HS grade.

College Algebra Math 1314:

- 80% Test Ch 1, 2, 5, 3, & 4 and Homework
- 20% Final Exam

College Trigonometry Math 1316:

- 80% Test Ch 1, 2, 3, 4, 5, 6, & 7 and Homework
- 20% Final Exam

College Statistics Math 1342:

- 20% Labs and Homework
- 60% Tests (4 exams)
- 20% Final Exam

College Calculus Math 2413:

- 20% Maple, Projects, & Homework
- 60% Tests (7 exams)
- 20% Final Exam
