

# **High School Basketball Season Tickets**

This year we are proud to offer season tickets to our High School girls and boys basketball home games.

We are reserving a few seats at all home games for Eagle fans that want to be a part of all the action.

Your season pass will get you a reserved seat to every High School basketball home game played in our new gym this season.

The passes are \$75 for the general public and \$35 for Brock ISD staff members and Senior Citizens.

Contact the Administration office to purchase your season ticket. Quantities are limited.

It is not necessary to reserve a seat in order to watch the games.

General admission tickets will be sold at the door as always and the new gym should provide plenty of room for everyone.

Current pass holders will not have to reserve seats.
